

July 6, 2021

Dear Potential Sponsor,

The Scleroderma Foundation Ohio Chapter facilitates events to create a community for Ohioans living with scleroderma. Our printed publications, e-newsletter, social media channels and website reach thousands of people. Scleroderma is a highly individualized disease, attacking the skin, lungs, heart, or kidneys. It can be fatal. There is no known cause or cure. We need your help to find a cure. We invite you to sponsor our 2021 Stepping Out to Cure Scleroderma – Cleveland’s Virtual Walk for Research which will happen on October 9, 2021. This virtual event will be attended by individuals from the Greater Cleveland area and other parts of Ohio.

Sincerely,

Tina L. Fellows

Tina L. Fellows, Executive Director, Scleroderma Foundation Ohio Chapter
