

Thank you for taking part in the Scleroderma Foundation's "Stepping Out to Cure Scleroderma!" We appreciate your support of our mission. Here are some instructions to help you join a team as a team member.

If you have any other questions, please contact your walk's event manager (visit the "Contact Info" tab on the walk website for the preferred contact method). You also may contact our National Office toll-free at (800) 722-4673.

Note: The Team Captain must create the team first before you can join it. If you don't see the team you'd like to join in the list of teams, check with the Team Captain to see if he/she has created or re-activated the team for this year's event. You can always register as an individual and be added to a team at a later date.
